

CHARTER PRAYER

Loving God,

We *thank you* for the gift of L'Arche entrusted to us,

And we desire to be *open* to your guiding spirit Throughout this Charter process.

As *companions* on the journey,

May we *listen* deeply to one another;

As we *re-read* our story together,

May we *honour* the mystery of our shared life.

As we recognize the heart of *unity* within our great diversity,

May we grow in confidence, trust and *joy*

To shine more brightly as a light of *hope* in our *world*.
