

<p>I agree that:</p> 	 <p>everyone is important and valuable ...</p>	 <p>... just as they are.</p>
<p>I agree:</p> 	 <p>to tell people about the mission of L'Arche, as best I can;</p>	 <p>to be careful about what I can share and what I cannot share from other people's stories;</p>
	 <p>to assume my responsibilities;</p>	 <p>to be accompanied, if I accompany;</p>
	 <p>to report an abuse if I see one.</p>	

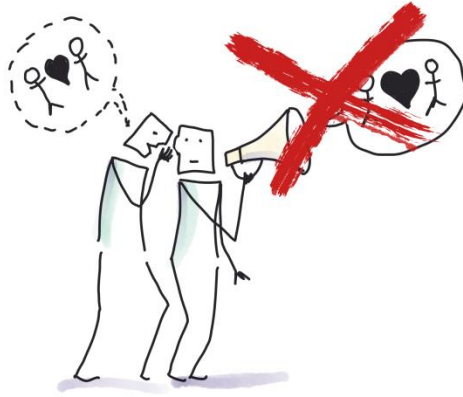

I will not:

hit anyone;

steal;

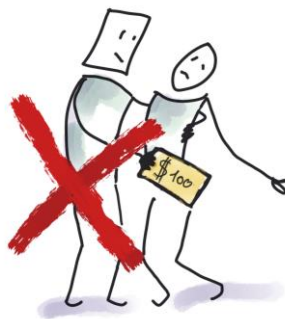

share other people's private information;

use any illegal drugs
or drink too much alcohol;

accept any sexual relationship between a person with intellectual disability
and a person supporting or assisting;

force others to give me things I want
(money, favors, sexual acts)

neither when I support
someone,

nor when I have authority
over someone.
